

## Session B15 EFFICACY OF REHABILITATION

"Emerging Research in Rehabilitation for Traumatic Brain Injury" (abstract 0404)

John D. Corrigan, PhD

### Objectives

At the conclusion of this program, the participants will be able to:

1. Define and discuss Practice Based Evidence (PBE) methodology;
2. Identify at least 3 challenges to implementation of PBE methodology in rehabilitation;
3. Describe strengths and weaknesses of solutions implemented in the study of persons with traumatic brain injury
